评论: Neel 65 Evolution #1 - 5 double cabins including a Master, with ensuite bathrooms.

A Flybridge of 33 square metres (335 sq ft), a huge "cockloon" (marriage of cockpit and saloon) on the same level, a large saloon with real dining and relaxation areas, a spacious kitchen with a glass roof, cabins with generous volumes including a Master with its 2.5 meters long bay window, a contemporary design and 360 ° panoramic view from the saloon, the Neel 65 is a real floating loft.

Performing under sail and comfortable at sea, the **trimaran** is THE solution for a unique sailing cruising experience ; the size of living spaces is comparable to that of a motor-yacht over 100 feet. This multihull also takes the codes of this type of ship : real technical area located inside and behind the central hull, tender garage, large storage boxes in the back of the floats, "professional" kitchen, several indoor and outdoor areas of comfort and relaxation, ...
