MANAGEMENT PROGRAM

Type	Modern
Propulsion	Sail
Hull	Catamaran
Length	19.8m (65')
Beam	9.4m (31')
Draft	1.5m (5')
Hull Material	Aluminium
Engine	2 / SCAM Marine / SD 4.140
Engine HP	140

PAX	10
Guest Cabin(s)	4
Crew Cabin(s)	2

Built/Refit	2018/-
Builder	François LUCAS / Franck DARNET

Comments: The CK 64 is a light and fast catamaran.

Claude Kermol took profit of his 30 years experience in ship building and charter operation of large catamarans to design a reliable boat able to sail around the world in remarkable comfort and safety conditions.

The use of Sealium (high performance aluminium alloy) and honeycomb for the furniture preserves the displacement of the boat, in spite of the full technical equipment of this unit designed by Naço Design office in Paris.

WINDWARD ISLANDS GIVES YOU THE OPPORTUNITY TO DEVELOP A CREWED CHARTER BUSINESS THROUGH A TAILORED MANAGEMENT PROGRAM.
