OVER THE RAINBOW OF LONDON

Classic Yacht 115 (1930)

Dickie & Sons Located: France

Comments: On the 24th of April 1930 a 35 meters wooden cruiser left the Dickie and Sons Shipyard in North Wales.

She will see sun-shines and oceans, smooth sailing and hard time, war and peace, hard labour and leisure... to finally see redemption at the hands of a loving Owner and dedicated Captain.

In 2002 Jean Michel Folon and his Captain brought over to Mondo Marine a Yacht, they decided to save. Two years of hard work, lots of money, care and imagination transformed what was becoming a wreck to this lovely vessel.

At her new birth, in 2004 in the large shed of Mondo Marine Judy Garland sang "Over the Rainbow". She gave a new name to the boat as well as a new life.

Over the following years, to now the "New Boat from 1930" has been kept immaculate, has been even improved.

She is now on the market; waiting for a new passionate owner who will bring her... in the next century!
