- With its modern and assertive lines, the **Lagoon 55** plays with codes by mixing innovation and the fundamentals of the brand's DNA. This subtle alliance confirms the determined look of this new model, which is instantly recognizable.
- Unprecedented circulation: the conceptual revolution of the Lagoon 55. With its XXL-sized cockpit overlooking the water, this model, marked by the generosity of its spaces, reveals a true terrace on the sea.
- A "stairway to Heaven": brand new access to the boat opens up the surface of the transoms, creating new opportunities for the use of these spaces, which become living areas in their own right.
- Turned towards the outside environment, with its overhead windows in the coach roof, the Lagoon 55 offers a new point of view, while bringing greater luminosity to the salon.
- A real cocoon, the forward cockpit invites you to relax out of sight. Thanks to a very complete selection, this space can be adapted to suit your desires.
