Comentarios: Neel 65 trimaran #1

Version 6 cabins, 6 bathrooms ; central galley.

Unique **multihull**, efficient under sail and comfortable at sea, the **Neel 65** is THE **trimaran** for an extraordinary sailing cruise experience. The surface area of the living spaces is comparable to that of a motor yacht of more than 100 feet.

2 salon spaces at the front with very good visibility and central chart table. 2 Master cabins on either side of the nacelle benefit from an exceptional side view. 3 other cabins with double bed as well as a crew cabin complete this version.

Very beautiful flybridge (33sqm!) and cockpit areas. A functional rig with its square-top mainsail, its genoa, its self-tacking staysail and its asymmetrical spinnaker on sock.

Fully equipped with, among other things, generator, air conditioning, water maker, lithium batteries, solar panels, fresh water electric toilets. It will suit a family program or a crewed charter activity.

Owned by a French company. Available and ready to sail immediately.

Refitted in 2019 by the experienced JFA shipyard in Concarneau.

Complete inventory, and additional photos, on request.
