评论: Following owner's death the price has been substantially reduced for a very quick sale. Boat is ready for a summer charter season or a trip around the world in style.

Displacement yacht, steel hull, GRP superstructure, teak decks, unrestricted area, Pleasure Yacht. She was built in 1994 along the lines of the great classic motor yachts of the 1920 's inheriting all the external styling that was so typical during this bygone era but using the technology and experience of the 1990 's. Boat was totally refitted in 2005. Main engines, generators, systemes were replaced. Interior was modified for more comfort. Also upgraded electronics and electric system. She was as well painted.
