评论: Launched in April 2011, the Sunreef 70 MUSE is the fifth unit of this yacht model and an ideal charter yacht for families as 12 guests can be comfortably accommodated in 5 cabins, with added space to sleep an additional 2 children. Three crew members operate the boat during charters. Like all Sunreef yachts, MUSE has exceptional living space inside and outside including shaded cockpit, sunny flybridge and all the bow section with nets.

Combining elements that are both classic and modern, MUSE ’ s interior finished in Finnish birch and exotic wenge, possesses a world of features to be admired. Built on contrasts, her harmonious light and dark wood interior is complemented by creamy, soft upholstery. The salon featuring a plasma TV, DVD's, and a Wii station provides limitless entertainment options.

For relaxation, MUSE ’ s spacious deck and massive full-beam flybridge with solarium invites her guests to lounge in the sun or shade.
Many options are provided for those that desire outdoor water activities, including a semi-rigid tender with 90 HP, a sailing dinghy, kayaks, adult and child water skis, a wakeboard, and snorkeling equipment.
