评论: Unique yacht "Motorsailer" for sale.

3 guests double cabins : 1 large master cabin, 2 VIP cabins, with AC and ensuite bathroom. The crew quarter, located at the backmost, is composed of 3 cabins.

A lot of volume in each space and many relaxation areas are the main features of this unique yacht that offers unparalleled comfort.

Boat was under supervision of professional crews since his launch through a crewed charter activity, with a very strict maintenance and many upgrades these last years ; and a major refit in 2011. She had a RINA classification and she has been registered in the RIF (commercial french flag) since 2014. She is now registered as a pleasure craft.

Boat is currently ashore in a shipyard and is for sale "as is where is" at a very attractive price to allow to the new owner to do a complete refit.

The current owner, keen seller, has the project to initiate the construction of a new large sailing yacht for the further development of his charter business, and will consider all serious offers.
