KEY POINTS :

With its modern and assertive lines, the Lagoon 55 plays with codes by mixing innovation and the fundamentals of the brand 's DNA. This subtle alliance confirms the determined look of this new model, which is instantly recognizable.
Unprecedented circulation: the conceptual revolution of the Lagoon 55. With its XXL-sized cockpit overlooking the water, this model, marked by the generosity of its spaces, reveals a true terrace on the sea.

- A "stairway to Heaven": brand new access to the boat opens up the surface of the transoms, creating new opportunities for the use of these spaces, which become living areas in their own right.

- Turned towards the outside environment, with its overhead windows in the coach roof, the Lagoon 55 offers a new point of view, while bringing greater luminosity to the salon.

- A real cocoon, the forward cockpit invites you to relax out of sight. Thanks to a very complete selection, this space can be adapted to suit your desires.

- Aft-set rig, performance and easy sail maneuvers. The accomplished Lagoon DNA merges perfectly with the large volumes on the flybridge combining maneuvering and relaxation areas.
