GENERAL: CHARTER VERSION (5 double cabins, 5 heads) - "Comfort" pack - Fully equipped.

The Lagoon 52, the latest model developed by the world's leading builder of cruising catamarans, marks a whole new era in the design of such boats, as indeed did its predecessor, the famed Lagoon 500.
With its diamond-shaped vertical bows, bevelled hulls, its as if levitated deckhouse and tall rig, the Lagoon 52 is no ordinary catamaran, but its originality goes a great deal further than just its "outer" appearance, or even its interior layout.

WINDWARD ISLANDS GIVES YOU THE OPPORTUNITY TO DEVELOP A CREWED CHARTER BUSINESS THROUGH A TAILORED MANAGEMENT PROGRAM.
