Comments: INDULGENCE OF POOLE is the fifth Mangusta 86' flybridge yacht built by Versilmarina Srl out of 5.

INDULGENCE OF POOLE is most probably the best opportunity on the market for a 4-cabin flybridge yacht of 86-feet. Built in 1998, she has been always perfectly maintained by owners. Since 2008, her current owner has invested a lot of time, effort and money in the yacht. A full-time crew of 4 has been hired and her current captain has been on board for the past 9 years.

INDULGENCE OF POOLE is also successful charter yacht, MCA SVC compliant and has received - season after season - the best reviews from her guests.

Her owner has decided to purchase a larger yacht and is a keen seller.
