Engine	2 / Volvo / VOLVO D3
Engine HP	2X190
Guests	8
Guest Cabin(s)	3
Built/Refit	2010/-
Builder	Joubert Nivelt et Daniel Andrieu

Comments: Very nice Summerland 40 by Fountaine Pajot from 2010, first hand owner and in very good condition. You'll find a pleasant living area, kitchen and 3 cabins...

Another advantage of SUMMERLAND 40 is good performance combined with low consumption.

It displays a modernist style and is characterized by its exceptionally large Master cabin, 11 m2 and equipped with a toilet, all reaching 2 meters of headroom on average.

The rest of the facilities is provided to last in time, as well as for a comfortable life on board.

In the port hull, both passenger cabins are located on either side of a common toilet.

In addition, the square can turn into an extra double bed.

Autonomy of about 500 miles.
