**Comments:** Perfect Charter version with her 5 double cabins, including one more spacious for the owner at the aft starboard ; the fore peaks are equipped for receiving a captain, the other with head and shower. Always this nice teak deck with flush hatches, hydranet sails, electric furlers, A/C, generator ... She is perfect for charter but will be also a great compromise for family purpose ! And her attractive price will permit the future owner to proceed to some cosmetic works ....
