Aprea Mare

Located: France

Comments: 3 double cabins with 3 bathrooms + 1 crew cabin with shower & toilet.

Apreamare 64' fly is the formal development of the original Gozzo Sorrentino. The outdoor areas are defined as essential and elegant.

In the area of the bow there is the well-known U-shaped sofa, while the stern area, the key point of the project due to its pronounced geometry, blends perfectly with the lines of the hull, enhancing the classic round shape that has always characterized this boat. This area houses a comfortable sofa that can be converted into a practical and comfortable sundeck.

The fly version is complete with large sundeck at stern, seat and dashboard with all the necessary equipment for driving in freedom.

The layout of the spaces below deck are the same as the much-loved Apreamare 60'.

The bright master suite "full beam" has a bathroom with a very large window and a generous walk-in wardrobe.

The VIP cabin at the bow, has large closets and a bathroom with a large shower.

Finally, the classic double cabin, also equipped with en-suite bathroom, is larger than the normal average.

Extremely classic and natural materials are used for furniture, made primarily of essence of mahogany glossy or mat, cane and chrome plated steel hardware.

WINDWARD ISLANDS GIVES YOU THE OPPORTUNITY TO DEVELOP A CREWED CHARTER BUSINESS THROUGH A TAILORED MANAGEMENT PROGRAM.
