Comments: 2 cabins (1 Master cabin, 1 cabin triple) with 2 bathrooms + 1 crew cabin with shower & toilet.

Deck lines of Apreamare 44' provide elegance and sobriety to this model together with great features. The large size of the side walkway allow you to move with great easiness. The comfortable sofa forward with the large sundeck provide relaxing, even during navigation. The decoration of the cockpit is innovative with its comfortable sofa that, if necessary, thanks to a system of back pantograph, can be transformed into a sundeck.

The layout below deck features a large owner's cabin at the bow and two bathrooms, located at midst boat, with separate and generous showers : both can be accessed directly from the cabins.

Guests cabin is always at midst boat and it includes all the storage space you need, together with two beds (one single and the other a French size bed).

The kitchen, with its disposition to L, is complete with all the accessories such as double sink, refrigerator with high capacity, but the predominant feature is the direct relationship that the kitchen has with the living room, thanks to the wide opening of the blanket. Such openness guarantees an excellent and pleasant lighting.

In the deck layout we find the C shaped sofa that can be transformed into a comfortable bed, thanks to the adjustable table height.
