Comments: COCA VI is a 27m Leopard built by Arno in 2000 and has been meticulously maintained by her Owner who sends her to the shipyard every winter for maintenance and refit work. COCA VI is set apart by her modern and fresh interior, her high-tech features, and her excellent reputation in the charter industry.

COCA VI is really like new, under supervision of a experienced captain. This yacht can accomodate 6 guests in 3 contemporary cabins (1 VIP cabin, 1 guests cabin with twin berths, 1 extraordinary Master cabin) with ensuite bathrooms. She also features a Jacuzzi. Crew quarter is totally independent and equipped with 3 single berths, shower and toilet.

Very high quality of maintenance with a major refit in 2011 and new hull paint in 2016. A rare used boat on the market, not to be missed.
