**Comments:** Wonderful and unique Sunseeker Predator 63 with an interior design completely rethought by an Italian woman Designer in 2017.

This yacht is in pristine condition following his total refit in 2017. Purchased new by his current owner and meticulously maintained by professionals ; the total amount of exterior and interior refit comes to 89.000€. Complete service of MTU engines ; new shaft lines, propellers and rudders, for a total of 95.000€.

3 guests cabins (1 Master cabin with a large double bed 2m x 2m, 1 VIP cabin, 1 Twin cabin) + 1 crew cabin at the aft of the boat with toilet and shower.

His current owner is a very demanding shipowner who chose the finest and most luxurious materials.

A new series of works were done in May 2018 : refit fire-system, new tender hoist, new sliding roof engine, new valves, new engines room paint, new engines paint, new icemaker, new teak floor (24.000€).

This yacht is ready to go ; no expenses are to be expected during the next years.

An oil analysis was done and the result is perfect.

A rare used boat not to be missed!
