Builder	VPLP Design & Patrick le Quement

Lagoon

Located: Martinique

Comments: Lagoon 46 ICONIC

Owner version 3 cabins or Charter version 4 cabins available

Engines : 2x 45 to 2x 57 HP

Number of berths : 6 to 12 (with single berths in forepeaks & convertible salon)

The **Lagoon 46** has an unparalleled interior volume for a 46 feet catamaran.

This new model offers 40 m² of living space in the hulls, with major innovation the size of her outstanding forward cabins identical as the aft cabins !

The 46's centred rigging comes directly from VPLP design's research and its more than 30 years' experience at the peak of multihull ocean racing.

Better performance:

- Bringing the mast further aft reduces the length of the boom, increases the mainsail aspect ratio and thus its efficiency.
- The foretriangle incorporates a jib for sailing to windward as well as several downwind sails.
- Centring the masses limits pitching and eases the boat's motion.

Easier:

- The reduced size of the boom facilitates handling.
- The large jib sail is self-tacking, so there is no need to touch anything when taking!
