The **Lagoon 40** holds the attention by his strong personality.

Lagoon's next-generation rig is designed to make yachting a real pleasure:

- Self-tacking jib and shorter boom for easy manoeuvring.
- Large foretriangle allowing a variety of sail types to guarantee great performance in all conditions.
- Mainsail with a tall and high aspect ratio delivers greater efficiency by taking advantage of cleaner, less turbulent winds at the top of the rig.
- Centred positioning of the rig significantly reduces pitch, enhancing performance and comfort.
