"The simplest thing is simplicity itself. A beautiful boat is defined by the generosity of her dimensions; her length and width perfectly accommodate quality rigging and powerful sails, which open up voyages and adventures...." - Patrick le Quément

"The **SIXTY 5** is a yacht on a human scale. I'm a sailor at heart, and there was no way the SIXTY 5 wasn't going to be a really easy to use yacht that you could cruise far and wide under sail in comfort and with seakeeping qualities inherited from her big sister...." - Marc Van Peteghem

"Aboard the **Lagoon SIXTY 5**, you can look straight through fore to aft and out over the surroundings with commanding 360° views. The main saloon is comfortable and luxurious with open spaces and natural light. The same design concept is applied to cabins... The level of finishing repeats the luxury from the saloon while the owners cabin picks up and improves concepts from the successful Lagoon 620: a private water access aft like a terrace on the sea...." - Massimo Gino
