CLASS 6 (2020)

O Yachts

Located: Mauritius

Comments: "TI MARIN" Class 6 is the perfect high-performance catamaran for sailors seeking speed, ease, and comfort—ideal for short-handed sailing or cruising as a couple. With a lightweight 16.8-ton displacement and a carbon-reinforced Kevlar structure, this 64ft yacht offers exceptional upwind performance, stability, and safety even in challenging sea conditions.
Designed with four core principles—spacious living, solo sailing capability, comfort, and low maintenance **TI MARIN** delivers a seamless blend of performance and livability. Its innovative “spine concept” structure provides strength while maximizing onboard space, ensuring great handling and a comfortable ride on long passages.
This particular Class 6 is fully equipped with high-performance carbon rigging, Northsails 3DI sails, and a hydraulic system enabling effortless sail and rig control by a single person in any conditions.
The owner is selling to acquire a new full carbon Class 6.

Key Features

- **Light displacement:** 16.8 tons for 64 ft length
- **Structure:** Carbon reinforced with Kevlar shield
- **Performance:** Slim hulls for superior upwind ability and safety at sea
- **Design:** No front beam for smoother wave passage, mast set aft to reduce mainsail area
- **Comfort:** Longitudinal beam (“spine concept”) for stability and expanded living space
- **Practicality:** Long bimini and extended aft platform for sun protection and easy sea access
- **Sailing:** Hydraulic rig control system, high-performance carbon rigging, Northsails 3DI sails
- **Crew:** Designed for easy solo handling, ideal for couples or small crews
- **Condition:** Full options, turnkey ready.

Complete inventory, additional pictures & videos, on request.
