Custom Gulet 157 (2019)

Radez Blato

Located: Croatia

Comments: Delivered in July 2019, **S/Y Corsario** is a fully custom-built sailing yacht that blends traditional craftsmanship with modern luxury. Constructed in high-grade marine steel by the renowned Croatian shipyard

Radež d.d., she was built to the highest European standards. Designed for pure comfort and performance, Corsario is the perfect choice for sailing enthusiasts seeking a refined yet adventurous charter experience. Commercially registered under the Croatian flag and built to **MCA LY3 compliance**, the yacht is monitored by the Croatian Maritime Registry for coastal navigation. She boasts an impressive **gross tonnage of 339 GT**, with a thoughtfully laid-out interior. The main salon includes a dining area for 12 guests, two separate lounge spaces, and a fully equipped bar.
Corsario accommodates **up to 12 guests** in **6 luxurious cabins**, including:

- A spacious **Master suite**
- A large **VIP cabin**, both featuring underfloor heating in the en-suite bathrooms
- 2 **double cabins** with en-suite facilities
- 2 **twin cabins**, also en-suite

On the generous **8-meter-wide aft deck**, guests can relax on two large sunbeds overlooking an elegant **al fresco dining area** for 12. The **foredeck** also offers two inviting lounges with stunning sea views. The **flybridge** is designed for both relaxation and entertainment, featuring:

- A rear lounge with large sunbeds, a **jacuzzi**, **sauna**, and **day head**
- A forward area with sunbeds and spectacular **180° panoramic views**

A sleek **6-meter mast** adds to the yacht's graceful silhouette while enhancing her sailing performance. Powered by **two John Deere 425 HP diesel engines**, Corsario can reach a top speed of **11 knots** and comfortably cruises at **8.5 knots**, with a remarkably low fuel consumption of just **50 liters per hour**, allowing a range of up to **2,000 nautical miles**.
The engine room houses two **64 kW John Deere generators** and an additional **27 kW Cummins generator** for nighttime use. A **watermaker** produces **425 liters of fresh water per hour**, ensuring optimal self-sufficiency during long voyages.
For water sports lovers, Corsario comes equipped with a **5.5-meter tender** powerful enough for towing water skiers, wakeboarders, and towable inflatables. Additional equipment includes a **Yamaha jet ski**, **Seabob**, inflatable swim platforms, **two paddleboards**, and **two SUP boards**.
Key Features:

- Engines: 2 x 425 HP John Deere
- Generators: 1 x Cummins ONAN 27 kW, 2 x John Deere 64 kW
- Watermaker, full air-conditioning, bow thruster, home-style toilets
- Fully equipped professional kitchen
- Wellness amenities: massage room, sauna, jacuzzi
- Relaxation areas: flybridge with sunbeds, lounge bar, interior salon with SMART TV, PlayStation 4
- Water toys: 2 stand-up paddleboards, 1 kayak, 1 jetski, snorkeling, fishing, and waterskiing equipment
- Connectivity: WiFi on board
- Power supply: 380V 3-phase / 220V single-phase system, frequency converter 24/220, shore power with 2 x 380V 3-phase connections
- Tender: 5.5m dinghy with 115 HP outboard
