NEW WHISPER 50 ELECTRIC POWER CATAMARAN WHISPER 50 (2025)

Whisper Yachts

**Comments: 100% SOLAR ELECTRIC MOTOR YACHT
Autonomy - Sustainability - Low maintenance cost - Innovation**

WHISPER 50 #2 AVAILABLE IN NOVEMBER 2025

Available in owner's version 3 cabins, or in version 4 cabins, the **Whisper 50** is a luxury electric power catamaran with high-quality construction, materials, finishing and technology ; and offering large volumes of comfort in this motor-yacht size : 24m² (258 ft²) / Main saloon = 43m² (462 ft²) / Aft cockpit = 15m² (161 ft²) / Forward cockpit = 8m² (86 ft²) / Owner's cabin = 19m² (204 ft²) / Guest area(s) = 19 m² (204 ft²).

The aft platform with its integrated full-width steps is an invitation to come onboard. It is worthy of a much larger motor yacht. Very welcoming, it is practical for boarding a tender or enjoying a swim. The shallow draft will allow you access to some magnificent anchoring places.

With sliding side doors and lifting aft window, you have the ability to close or open the entire yacht, offering complete protection. When the doors are closed, you enjoy a secured and protected space. By opening them, you create a seamless transition between the indoor and outdoor environment, allowing you to fully embrace your experience at sea.

The propulsion system is provided by Torqeedo, using the best automotive industry batteries. It consists in 2 electric motors (2x 50 kW (optional 2x 100 kW)) connected to shaft lines. The electric motors are housed in a compact and robust pack. Batteries are charged from 3 sources: solar panels (40 m²) of a total of 7,5 kW, shore power connection (13,2 kW) and optional 2x 20 kW (optional 2x 35 kW).

Ranges:

Unlimited, with zero CO₂ emissions, at 5-6 knots,

5 hours, with zero CO₂ emissions, at 8-9 knots,

8 hours, at 9-10 knots using 2x20 kW generators,

1 hour at maximum speed of 15 knots using 2x20 kW generators.

More informations, specifications, options list, rates, on request.

We provide you with the opportunity to own a **WHISPER 50** without the expenses and challenges of traditional motor yachts.

WE GIVE YOU THE OPPORTUNITY TO DEVELOP A **CREWED CHARTER BUSINESS**, IN CARIBBEAN AND MEDITERRANEAN, THROUGH A TAILORED **MANAGEMENT PROGRAM**.

TAKE TO THE SEA..... LEAVE THE PROBLEMS BEHIND!
