Lagoon

Located: France

Comments: The Lagoon EIGHTY 2 is designed to combine elegance, volume, and personalization. Its expansive **50+ m² flybridge**, equipped with dual helms and solar panels, offers sweeping panoramic views. The space is fully customizable to match your lifestyle — whether as a lounge, sun deck, or dining area.

Unmatched Access to the Sea

At the stern, a **deployable swim platform up to 22 m²** extends the cockpit, transforming into a beach club. It accommodates a tender or jet ski, or simply becomes the perfect spot for swimming and relaxation.

Seamless Indoor–Outdoor Living

Inside, the layout ensures fluid movement with **360° sea views** reminiscent of a coastal villa. The **owner's suite** features a king-size bed, private terrace, and dedicated areas for rest and privacy, all facing the sea.

Key Highlights – EIGHTY 2

- Over 50 m² flybridge with dual helms and integrated solar panels
- Aft swim platform extends up to 22 m² for tender, jet ski, or lounging
- 360° panoramic views from the saloon with flush flooring and open layout
- Owner's suite with king-size bed, private terrace, and sea view
- Customization options for layouts, materials, and finishes
- Expert guidance from Lagoon throughout the entire project
