Comments: Lagoon EIGHTY 3 – A benchmark **motor catamaran** for long-range cruising

The **Lagoon EIGHTY 3** is a 24.4-metre luxury motor catamaran that marks a major milestone in the history of t French shipyard Lagoon, internationally renowned for its cruising multihulls.

Designed as a long-range **powercat**, the **EIGHTY 3** combines space, comfort, performance and customisation With nearly 300 m² of outdoor living areas and an open-plan layout, it offers a seamless onboard experience, enhancing the connection between interior and exterior spaces while creating a refined and welcoming atmosphere.

Powered by twin 580hp John Deere engines, the **EIGHTY 3** delivers an impressive range of up to 3,500 nautic miles, enabling extended cruising with complete freedom, whether coastal or offshore.

The design reflects **Lagoon**'s expertise and that of its long-standing partners: VPLP Design for naval architectu and Nauta Design for interior styling. Elegant lines, premium materials such as natural stone, leather and marb and high-end finishes define a yacht that can be extensively customised to suit the owner's preferences.

The interior layout is fully configurable, offering four to six guest cabins, all with en-suite bathrooms. The owner suite stands out as a true private apartment, featuring a king-size bed, panoramic views and exceptional comfo comparable to that of much larger yachts.

Dedicated leisure areas, including the expansive flybridge, aft cockpit and swim platform, further reinforce the **EIGHTY 3**'s role as a true floating living space, designed for relaxation, entertainment and life at sea.

Unveiled at the Cannes Yachting Festival 2026, the **Lagoon EIGHTY 3** will embody a new era for **Lagoon**, confirming the brand's ability to compete in the world of large luxury yachts while remaining true to its multihull DNA.
