Delivered by the renowned **Dutch shipyard Vitters** in 2009, the 39m **sailing yacht CERVO** is a striking blend of performance, innovation and comfort. Designed by Bill Tripp and built in advanced carbon composite construction, she offers exceptional sailing capabilities combined with the quality and craftsmanship for which Vitters is internationally recognised.

Extensively upgraded and carefully maintained throughout her life, CERVO presents in excellent condition and is ready for immediate cruising. Her sleek, contemporary profile, lifting keel and high-performance sailing package provide impressive versatility, whether undertaking long-range passages or enjoying competitive sailing.

The bright and elegant interior, refreshed by Nauta Design, offers comfortable accommodation for up to eight guests in four well-appointed staterooms, complemented by spacious deck areas designed for relaxation and outdoor living.

Combining proven pedigree, refined aesthetics and outstanding sailing performance, CERVO represents a rare opportunity to acquire a modern Vitters yacht equally suited to world cruising, regatta participation and private ownership.
