NEW SIMBAD 55 CATAMARAN

Ref1639

SIMBAD 55 (2026)

Simbad Yachts

Located: Spain

Comments: Brand new **sailing catamaran SIMBAD 55**
The "**mini-superyacht**" sail-powered

Designed for discerning owners seeking a true bluewater cruising catamaran, the **SIMBAD 55** perfectly combines elegance, performance and innovation within a modern and refined platform. Conceived by renowned naval architect **Pierre Delion** in collaboration with **Darnet Design**, she stands out for her contemporary styling, generous living spaces and exceptional build quality, enhanced by premium materials and meticulously crafted finishes. Developed around a genuine **"Ready to Sail"** philosophy, the **SIMBAD 55** delivers the ideal balance of comfort, safety, autonomy and ease of handling, making her perfectly suited to extended cruising in complete luxury.

Key Features

- "Ready to Sail" concept – delivered fully equipped and ready to cruise from day one.
- Designed for bluewater cruising and extended offshore passages.
- Naval architecture by Pierre Delion.
- Contemporary exterior and interior styling by Darnet Design.
- Vacuum-infused composite construction for strength, durability and lightweight performance.
- Protected forward cockpit and spacious panoramic flybridge.
- Multiple interior layout configurations available.
- Extensive customization options.
- Optimised energy management for increased autonomy.
- Designed to deliver exceptional comfort, safety and sailing performance.

Construction & Design
Built using vacuum-infused composite construction, the SIMBAD 55 benefits from a lightweight yet robust structure, ideally suited to demanding offshore cruising. Her hull design prioritises performance, stability and ease of handling, while her contemporary styling maximises natural light, generous interior volumes and seamless circulation throughout the yacht.

Available Layouts
The SIMBAD 55 is available in several interior configurations to suit a variety of cruising programmes.
Owner's Version

- Full-beam owner's suite occupying one entire hull.
- Two or three guest cabins with en-suite bathrooms.
- Galley available in either "Up" or "Down" configuration.
- Generous storage capacity for extended cruising.

Charter Version

- Four double guest cabins with en-suite bathrooms.
- Optional independent skipper's cabin.
- Optimised layout for charter operation or maximum guest accommodation.

Interior layouts, finishes and equipment can be tailored to suit each owner's individual cruising programme and personal preferences.

Machinery & Equipment
The SIMBAD 55 is available with a choice of technical configurations and equipment packages, including:

- Twin diesel engines with various power options.
- AGM or Lithium battery systems.
- High-capacity solar panels.
- Generator.
- Watermaker.
- Air conditioning.
- Premium navigation electronics.
- Sail wardrobe and rigging configured for bluewater cruising.
- Extensive optional equipment and bespoke upgrades.
