Comments: Luxury Sailing Catamaran is a 67 feet Lagoon CNB multihull designed by naval architects Marc Van Peteghem and Lauriot Prevost. The Lagoon 67 has been hailed a genuine masterpiece taking the concept of luxury catamaran cruising to a new dimension by simultaneously increasing space, comfort and performance. The Lagoon 67 offers superior performance in terms of speed, handling and comfort.

PERLE NOIRE is certainly the most luxury Lagoon 67 which has been launched and remains today in pristine condition. His unique owner has always taken great care to the maintenance of his catamaran and envisages today to sell it to another person who also has a passion for unique sailing yachts.

New engines and new sails in 2013, standing rigging changed in 2016, ...
The last survey was realised on dry dock at Lorient Keroman (France), the 27th March 2017. No work needed.
A rare boat to see.
