Comentarios: LUDYNOSA.G was designed by Dubois Naval Architects and built by Fitzroy Yachts in New Zealand. She combines interior luxury and comfort with distinctive and graceful exterior styling. Exhilarating sailing performance is assured.

Space on deck is optimised. The tender well doubles as a comfortable tented area for relaxing in the shade. A sun pad is accessible above the pilot house and the cockpit with its composite bimini provides a convivial al fresco dining area.

The interior, designed by Redman Whiteley Dixon, is finished to an exceptionally high standard and enhanced by large hull windows providing plenty of natural light.

LUDYNOSA.G accommodates up to eight guests in four luxuriously appointed double en-suite cabins, including her full-width owner's cabin. One twin cabin can be converted to a double. Three double en-suite crew cabins accommodate up to six crew.
