The **Lagoon 40** holds the attention by his strong personality.

- Lagoon's next-generation rig is designed to make yachting a real pleasure:
- Self-tacking jib and shorter boom for easy manoeuvring.
  - Large foretriangle allowing a variety of sail types to guarantee great performance in all conditions.
  - Mainsail with a tall and high aspect ratio delivers greater efficiency by taking advantage of cleaner, less turbulent winds at the top of the rig.
  - Centred positioning of the rig significantly reduces pitch, enhancing performance and comfort.
