Comentarios: Aquila 44 power catamaran

3 double cabins, including an incredible master one with office area and large bathroom.

Yacht in good condition and fully equipped:

260hp engines option, 10.5Kva generator, Reversible air conditioning, Watermaker, Electric toilets, Fridge & freezer, Electronic pack including AIS, Hifi Fusion, TV, Electric davits, Large dinghy, ...

Complete listing & additional photos on request.

This 44 feet power catamaran is distinguished by its large interior and exterior volumes, particularly at the level of its flybridge.

Its behavior and comfort at sea are remarkable.

The care given to the quality of its construction (infused with vinylester resin) is also reflected in the finish of its interior and exterior fittings.
