BERZINC

Ref1390

Classic Motor Yacht 146 (1977)

Astilleros de Mallorca

Localisation:France

Commentaires: After extensive maintenance and a full repaint of the hull at the IMS700 Shipyard in France, **BERZINC** is looking fantastic and is in absolute turn-key condition for the summer. She is back in the water and on the move since end of June, currently cruising in the Western Mediterranean.

KEY IMPROVEMENTS :
Stunning new full paintjob - Dark Grey topsides with a Metallic silver bootstripe above the waterline,
The superstructure paintwork has been brushed up to the spotless minimum standards,
Refurbishment of the teak decks all-round,
Deck and tenders upholstery have been renewed,
Swimming platform and transformer have been completely refurbished and improved,
Extensive list of technical maintenance and detailing executed.

Inside, beauty and functionally go hand in hand in the minimalistic styled interior which has a sophisticated and trendy feel. Outside, there is an extensive watersport toys list for the enjoyment of all guests. Fitted with two MTU 4000 engines and the latest generation stabilizers, she provides maximum comfort at anchor or underway.

Completely rebuilt from the hull up in 2007, this magnificent superyacht has been designed with the charterer in mind. She has powerful, yet economical engines and zero-speed stabilizers for the comfort of the guests. She has a contemporary interior, designed to give a feeling of light and space.

She has ample accommodation for 10 to 12 guests in an owner's cabin and 4 guest cabins (including twin cabins with an additional pullman berth each), all with luxurious en-suite facilities.

There is an extensive water-sports toys list for the enjoyment of the guests and the captain and crew will ensure that your charter is a great success.

Refitted in 2007, 2012, 2019 & 2022.

POINTS FORTS:
- Conforme aux normes commerciales et de classe
- Excellent charter business
- Stabilisé au mouillage
- Capacité de couchage de 12 personnes
- Capacité d'accueil de 60 personnes à quai
- Faible consommation de carburant 120L/H @10 noeuds = 3.500 miles
- Dernier refit en 2022
- Expertise de classe des 5 ans en 2021
- Annexe de 6,5m
- Plateforme de bain pour un accès facile à l'eau.

BERZINC a été méticuleusement entretenu et est présenté à la vente dans un état impeccable.
