3 versions :

- 4 double guests cabins, 4 bathrooms,
- 5 double guests cabins, 5 bathrooms,
- 6 double guests cabins, 6 bathrooms.

Fountaine Pajot is back in 2021 with a new **51 feet sailing catamaran** ! Always oriented toward sustainability, creating new boats with an environmental approach, the French shipyard paid in particular attention to renewable energy, by including a large surface for solar panels near the Flybridge, capable of 2000W and producing 5 times more solar energy than any other yachts, without compromising the lines and boat's design. The DNA of the new **51 catamaran** features also its large and spacious Flybridge, a complete opening between cockpit and the saloon, all ensuite bathrooms whatever the layout, and finally outstanding performance at sea and an hydraulic swimming platform. With 4 different layouts on this 15m **multihull**, there is always one that will match best your needs for an incredible navigation experience with friends or family !
